## Offer of admission

Dear Shashank Prakash,

Congratulations! Further to your application to study at the University of Birmingham, we are delighted to inform you that we are able to make you an offer of admission on the above course.

The course you have been offered is not the original course you applied for. You have been made an offer for an alternative course, following your request, due to your academic profile being more suitable for the course shown above, or due to visa requirements.

Your offer is subject to you satisfying the conditions below in full by the date indicated.

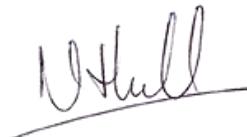

Offer conditions	Due date
You are required to pay a non refundable deposit of GBP3000 to confirm acceptance of your place, by the deadline date shown. This amount will be deducted from your tuition fee.	28/02/2026
You are required to provide a copy of your passport personal details page that you will be using for your required Visa or for travel purposes.	31/08/2026

In order to secure your place, you must respond to this offer by 28/02/2026. This deadline refers to your acceptance of the offer, not the fulfilment of the conditions. To respond to the offer, please log into your [Admissions portal](#). If you fail to respond by this deadline your offer may be declined on your behalf. If you think you will be unable to respond by this date, please contact us.

Please read the information provided below carefully. If you have any questions about this offer, please go to the [Admissions portal](#) or submit a query through our [online enquiry form](#) or contact us at 0121 387 5910 (option 2) Monday to Friday, 10.00 – 16.00 UK time.

We look forward to welcoming you to the University of Birmingham.

Yours sincerely,

Nick Hull  
Director of Admissions  
University of Birmingham

### **Further guidance relating to your offer**

Unless an earlier date is specified against a condition above, all conditions must be met before the start of the course, shown above. Failure to meet the above condition(s) and/or specified deadline(s) may result in your offer being withdrawn.

If your offer is conditional upon providing evidence of academic achievement, please refer to the [verification web page](#) for details of acceptable means of verifying your qualifications.

The annual tuition fee shown above is for the specified Year of Entry.

You need to have sufficient funds available for your living costs and tuition fees for the duration of your course. You will only become responsible for the payment of your tuition fees when you formally register for your course, not when you accept your offer of a place. Information regarding how to register will be sent to you before your course commences.

Once you have fulfilled all offer condition(s) if applicable, and you have accepted your offer of a place, we will send you a CAS (Confirmation of Acceptance for Study) from April onwards to help with your visa application. Please note that study in the UK is subject to time limits and regulations on academic progression set by UK Visas & Immigration (UKVI). If you have not already provided us with details in your application of any study that you are currently undertaking or have previously completed in the UK, then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

If you accept this offer you are required to disclose to the University any unspent, relevant criminal convictions within 14 days of your acceptance reply. Information about this requirement is provided in the document 'Important Information About Your Offer' provided with this offer. Further information, including how to disclose this information and the University's policy on criminal convictions is available in the online Offer Guide. We advise you not to accept an offer until you have read this information. If your offer conditions require you to provide a DBS disclosure you do not need to make a separate self-disclosure when accepting your offer. Information on how your data is processed can be found here: [University of Birmingham privacy policy](#).
